Dear Pledge the Pink Foundation,

Thank you for your support. Because of you, we are raising awareness about breast cancer and taking action to fight back against this disease. You are helping save lives.

**We are so grateful for your support.**

Your contributions help by:

- Funding critical research into new treatments and cures
- Providing vital information and support for those diagnosed and their families
- Giving people information about ways to reduce their breast cancer risk, or find it early when it's most treatable

**Together, we have come so far. Your gift makes all the difference.**

With your help, we are making breakthroughs against breast cancer. Your support helps us fund vital research, which is our best shot at ending this terrible disease. Your part in Making Strides Against Breast Cancer is so important and appreciated!

**Thank you again for helping save lives and lead the fight to end cancer.**

We sincerely appreciate your generosity. Thank you for supporting the American Cancer Society.

Warm regards,

William L. Dahut, MD

Dear Ms. Dishart,

We would like to take this time to Thank You and the Pledge the Pink Foundation for honoring the Women's Health Center at Baptist Memorial Hospital for Women with a grant award in the amount of \$30,000. These funds will go a long way in providing breast cancer screenings, treatment and outreach to our community. We look forward to sharing with you the good work and impact that we will make with the grant money in November of 2023. Thank you for partnering with us again this year and make a difference in the Memphis community.

Congratulations on another successful annual fundraising campaign on Fripp Island!

Sincerely,

Pamela Crislip

Dear Janet:

What an honor it is to thank you for your gift of \$7,546.25 to the Breast Cancer Research Foundation (BCRF), representing proceeds from the Pledge the Pink fundraiser and at the request of Julie Biswell. Your partnership is helping to create a future without breast cancer by funding scientists who pursue the most innovative ideas to examine the disease from all angles. This investment in research accelerates progress and enables collaboration between BCRF researchers to find treatments patients need.

BCRF's culture of collaborative, collective impact—among supporters and among scientists—is core to who we are and what we have accomplished toward preventing and curing breast cancer. Our founder, Evelyn Lauder, knew this would be essential in achieving our bold and critical mission. Without research, there is no path forward. Research is the key to improving treatment options and achieving our goal of a world in which no lives are lost from breast cancer.

Since our founding nearly three decades ago, BCRF has changed the trajectory of breast cancer and cancer as a whole. Our investigators have been part of every major breakthrough in breast cancer research, which has translated into patients having more days, weeks, and years to spend with their loved ones. Simply put, research—fueled by the generous support of donors like you—means more lives saved.

On behalf of BCRF's dedicated, innovative researchers who work every day to end breast cancer, each patient whose lives have been changed by BCRF-funded advances, our board of directors, and the entire BCRF team, I thank you for your generous support.

Warmest wishes for a healthy holiday season,

*"I no longer felt isolated and worn out.  
After the retreat I felt that a huge burden had been lifted and light had poured back in my life."*

Dear Janet,

Thank you for your gift in support of the work of Casting for Recovery (CfR). It is your investment that brings light to women fighting, surviving and thriving through breast cancer.

Our retreat model is unique in the breast cancer space. Each year, over 700 women are matched with 50+ retreats throughout the country to spend 2.5 days together. One of the end goals is clear – learn to cast a fly rod and, if you're lucky, net a fish! The days leading up to the fishing, however, are where each woman finds something different. There are some common themes that emerge, sure. But like a breast cancer journey, the retreat experience is different for each woman. At CfR, our fullest hope is that each retreatant finds what she needs.

Each year in the U.S., over 280,000 women receive a breast cancer diagnosis. You know these women – they are your mothers, sisters, daughters, partners and friends. The impact of this disease is woven into the fabric of our families. The hope for a cure burns in each one of us. Until that time, however, CfR will continue doing what we do best – inviting women to spend the weekend sharing, connecting and learning. Thank you again for being a partner in lifting burdens and letting the light pour in.

With gratitude,

*Thank you for supporting our  
Breast Cancer patients!*

Dear Janet and Pledge the Pink Foundation Board Members,

Thank you for your generous donation. We are only able to provide "free" educational programs, outings, and weekend camps for cancer patients because of support like yours. On behalf of our campers, we thank you! Faces of Courage is one of the few nonprofits nationally that directly impacts the lives of cancer patients while they go through treatment and beyond. Since January 2004 we have hosted FREE weekend camps, many educational workshops, hosted families at sporting events/concerts/shows and a Sunset Sail Aways. These activities allow the patients and their families a distraction, if only for a night, from their cancer battle. To date we have hosted over 12,000 cancer patients.

In May 2022 we felt it safe enough to return to in person programming and hosted our first Adult Camp in two years. The weekend truly brought home the need for camps and reminded us of the dedication of our volunteers. Campers, like Sandra, spoke about the need to be around others who are fighting cancer. Being in a group of women who are sharing the same frightening reality is both comforting and gives hope. Hope that one day they will be the 'long term survivors' at camp giving guidance and support to the newly diagnosed.

Our programs not only touch the campers I believe that the volunteer's lives are greatly altered by the opportunity to give back in such a meaningful way. We don't do this alone, we host these camps with the help and support of amazing people like you. Thank you for believing in our mission and for actively supporting us with your generous donation.

We sincerely appreciate your kindness and commitment to help us provide services. If you have any questions or would like to hear more about our volunteer opportunities, please contact us at (813) 948-7478.

Best wishes,

Peggie D. Sherry

Janet,

Thank you for your generous gift of \$10,000 in December 2022 in honor of Jennifer Burcham to help fuel the KWF mission! Your donation provides more than just FUN; it helps to create lasting memories for women like Gosia who is LIVING with breast cancer. Your gift was there for the Mills family when they needed it most.

*"We had an amazing trip!! Everything from the rented car to the road trip and the weather was just perfect. We were able to catch the last warm and sunny days of the summer, as well as the first days of crisp autumn weather with changing colors on the trees. It was breathtaking!... My husband said a few times that it looked like we were in a Hallmark movie setting: eating dinner by candlelight and just being so happy together.*

*We spent our days hiking, kayaking, biking in Mackinac Island, playing golf and apple picking. Most days ended by the bonfire, where we talked and listened to my husband play guitar and sing for us. It was truly a beautiful time and I will forever be thankful for the generosity of the house donors, the Hayden family, as well as the KWF... This trip gave me a chance to reflect on my life over the past year, with its hard times and trials. It also made me count my blessings and it truly gave me a jump start to this coming year, with its promises and surprises. Please know that I will forever remember your kind gesture and always feel thankful." -Gosia M., Walloon Lake, 2022*

This year we are celebrating 15 years of FUN! And with a goal of **700 gifts of FUN, the sky's the limit for 2022**. Your donation helps us toward that goal of getting countless women and families off our waiting list and onto a beach, mountaintop or somewhere where cancer is in the rearview. When people **GIVE FIRST**, lives are changed. Thank you for being such an integral part of our mission. We couldn't do it without you!

With Gratitude, Hope and a Sense of Urgency,

Board Chair**

Wow!  
Thanks for  
fueling the FUN!

Bluffton, SC 29910

Dear METAvivor Supporters,

Thank you for your generous donation to METAvivor Research and Support in honor of Kathie Anderson and The Wind Beneath Our Wings team. Your donation will fund innovative research to improve the quality of life and survival for people living with metastatic breast cancer. Your support will help us achieve our goal-- to transform stage IV, metastatic breast cancer into a chronic, manageable disease.

Since our founding in 2009, we have awarded 167 research grants totaling over \$23.1 million, and 100% of every donation goes to fund metastatic breast cancer research. We have also become a leading advocacy organization, focused on access to innovative therapies, benefits and other issues that will improve the lives of metastatic patients.

Visit our website at [www.METAvivor.org](http://www.METAvivor.org), or follow us on Facebook, Twitter and Instagram, to stay informed about news and upcoming events.

Dear Janet,

Congratulations on another successful event! It is our honor to thank Pledge the Pink and our local fundraiser, Linda Porter, for the recent grants received from the 2022 event. Linda and the other Solo Strutters demonstrated such incredible personal commitment to ensuring our Muskegon-area community has access to compassionate breast cancer expertise, while remaining *close to home*

I am pleased to acknowledge receipt of two grant checks in the amounts of \$20,713.96 and \$6,514.91, for a total of \$27,228.87 from Pledge the Pink Foundation on December 20, 2022. *Thank you!*

We never want a patient to skip their breast imaging due to cost. Pledge the Pink funds will help to support our Trinity Health Breast Center patients in need of financial assistance with out-of-pocket costs for screening mammograms, diagnostic work ups, breast biopsies or other needed procedures. In addition, we give the educational Breast Cancer Treatment Handbook to each newly diagnosed patient. \$4,000 of your grant will be used to purchase 200 handbooks.

Janet, we are grateful for our partnership with Linda, the Solo Strutters and the Pledge the Pink Foundation. I welcome a call or email if you have any questions or need my assistance. I can be reached at 231.672.4814 or [emma.peterson@trinity-health.org](mailto:emma.peterson@trinity-health.org).

Thank you and Pledge The Pink Foundation for making a difference through your gift to UNC Health for the UNC Rex Mobile Mammography Fund made on behalf of Katherine Shaver and the members of the Breast Buds. A brighter future beyond cancer is now possible, and we appreciate your willingness to help us move forward.

Your support of UNC Rex Cancer Center fuels this transformation for women from Wake and surrounding counties in the fight of their lives. Our leading clinicians provide innovative and compassionate care to prevent, detect and treat cancers that touch all of our families. By addressing health equity and working to expanding access to care for all, we can generate lasting changes in cancer prevention and care across generations. None of this would be possible without you.

We are so grateful for your partnership as we work to fulfill our mission to improve the health and well-being of North Carolinians and others whom we serve.
